

## **Verse Media Announces the Launch of Anthony Bell's New Collection of Abstract Art**

Murcia, Spain – May 31, 2024 – Verse Media is proud to announce the launch of Anthony Bell's latest collection of abstract art, which will be available for viewing and purchasing on his new website, [www.anthony-bell.art](http://www.anthony-bell.art), live on June 1, 2024. Anthony Bell, an accomplished abstract artist with a rich history in music and art, presents a stunning collection created from his studio in Almeria, Spain.

### **Anthony Bell's new collection includes:**

**"Nod to Mr K No.2"**: Celebrating Vasily Kandinsky's contributions to abstract art.

**"Carnival No.2"**: Capturing the vibrant energy of Brazilian carnivals.

**"Flaming Glass"**: Depicting the explosive energy of a fiery blast.

**"The Fury"**: Reflecting the futility and devastation of war.

**"Toxic Jungle No.2"**: Inspired by Bell's poem "Say Goodbye to Mother Earth."

**"Ebb & Flow - No.1 & No.2"**: Inspired by the rugged coastline of Cabo de Gata, Almeria.

**"The Black & White Series"**: A tribute to monochrome art.

**"The Beast"**: Exploring the dark parts of the human soul.

**"No Way Home"**: Inspired by a Bob Dylan song, reflecting on the search for love and direction.

Anthony Bell's work is a powerful narrative of his life's journey and a call to reflect on the environment around us. His collection is a testament to his passion for abstract art and his commitment to addressing critical issues through his creative abstract art.

## ABOUT ANTHONY BELL

Anthony lives & works in Brazil, Spain and the United Kingdom. Born in the heart of London, Anthony Bell's journey unfolded amidst the vibrant pulse of the 'Swinging 60s', an era of cultural revolution and artistic fervour. With a decade-long stint as a vocalist in the music industry, he sang melodies that echoed the spirit of the times. Fate intervened when he crossed paths with his wife, Marcia, leading him to embark on a new chapter in Brazil in 1978, where life unfurled amidst the rich tapestry of Brazilian culture.

Through the tumultuous 1980s, Anthony nurtured his family while immersing himself in the colours and rhythms of his adopted homeland. Yet, the call of his roots beckoned, and in 1991, he returned to England, seeking to reconnect with the essence of his being. Fuelled by a relentless quest for creative expression and the responsibilities of family life, Anthony navigated through life's myriad of landscapes.

Retirement at 70 marked the commencement of a new odyssey, as Anthony and Marcia set their sights on the sun-kissed shores of Southern Spain in 2020. Raised by artistic parents, Anthony's dormant creative spirit found its awakening. A journey of self-discovery unfolded, intertwining with the threads of abstract art history and the boundless realms of experimentation.

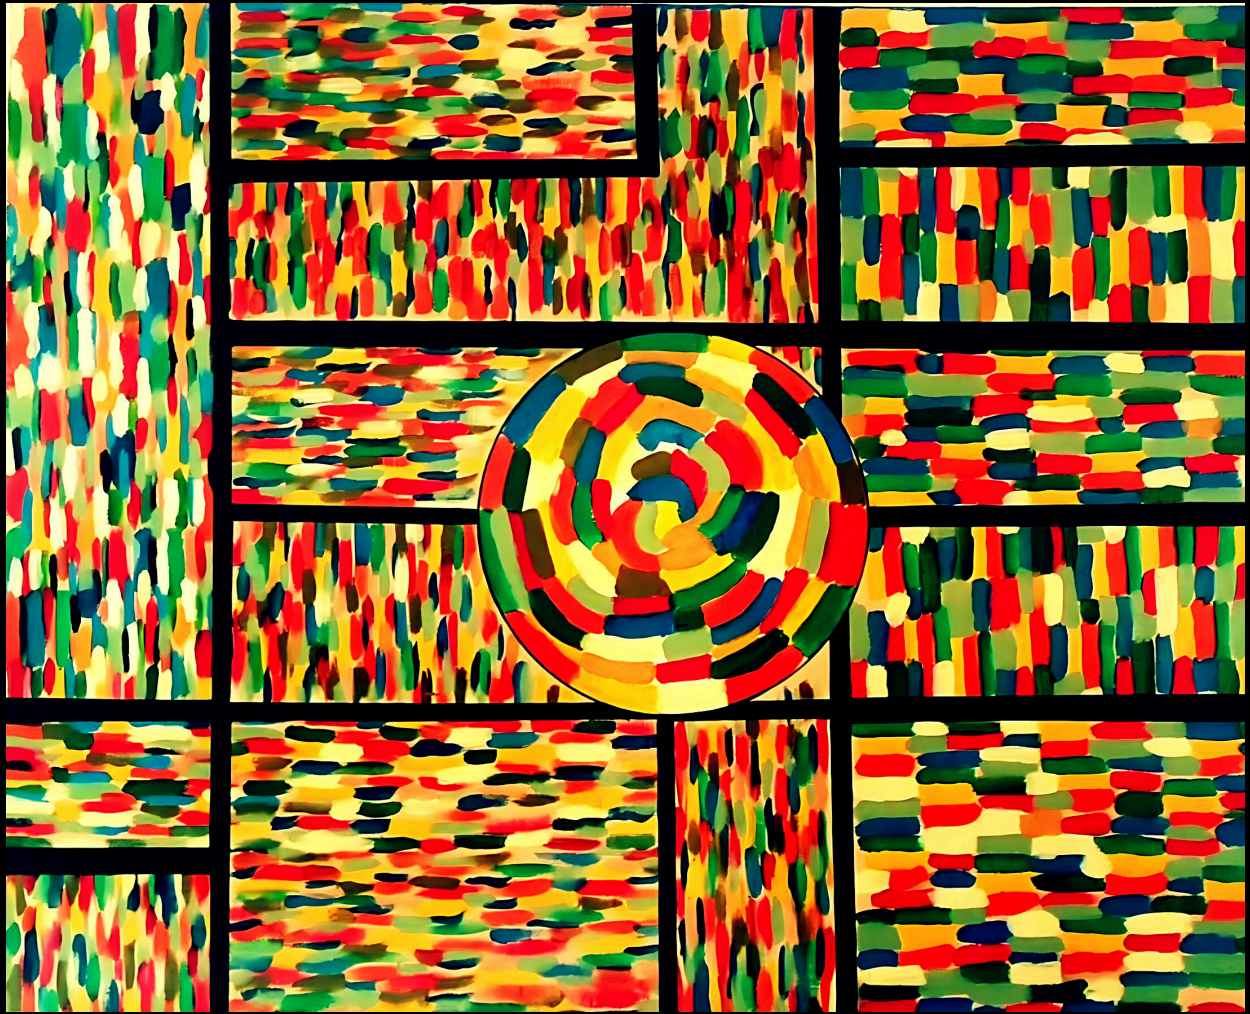

From this fertile soil emerged Anthony's unique abstract art, a testament to life lived across continents, imbibing the diverse hues of culture and experience. Abstract art became not just a medium but a conduit for his soul's expression, offering boundless possibilities of interpretation and revelation.

For Anthony, every day dawns as a blank canvas, awaiting the strokes of inspiration and the palette of his imagination. His art speaks not just of shapes and colours but of a life deeply lived, a symphony of experiences and emotions transmuted into vibrant splashes of creativity. Always looking for ways to express ideas on canvas; some paintings are stories and some are statements. Truly, Anthony Bell's art is a testament to the infinite potential of the human spirit, forever reaching towards the horizon of limitless possibilities and the freedom of expression that abstract art brings.
